

## **SUNVEST MINERALS CORP. APPOINTS CEO**

Sunvest Minerals Corp. has appointed Mike England as chief executive officer of Sunvest Minerals.

Mr. England has been involved in the public markets starting in 1983 working on the floor of the Vancouver Stock Exchange as a floor trader after completing the Canadian securities, options and futures courses. Since 1995, Mr. England has been involved directly with public companies serving various roles, including investor relations, chief executive officer, directorships and presidencies, and has raised in excess of \$40-million to date for exploration and acquisitions.
