

SKY GOLD CORP. COMPLETES ACQUISITION OF THREE NICKEL-COPPER-COBALT-PLATINUM GROUP ELEMENT PROPERTIES IN THE SHEBANDOWAN GREENSTONE BELT, NORTHWESTERN ONTARIO

March 2, 2023, Vancouver, BC, Canada - SKY GOLD CORP. (“Sky” or the “Company”) (SKYG-TSX:V) (US:SRKZF) is pleased to announce that the TSX Venture Exchange has accepted for filing with respect to its previously announced 100% acquisition of 3 nickel-copper-cobalt-platinum group element properties, situated in the Shebandowan Greenstone Belt, in northwestern Ontario.

As previously announced in the Company’s February 7, 2023, news release, the Company will issue 1.5 million shares, pay \$20,000 and grant a 2.5% NSR to the vendors of which 1.5% can be purchased back anytime by the Company at its discretion for two million dollars. Further, in the event that and subsequent to the Closing, SKYG determines in its reasonable discretion that an ore body of more than 5 million tonnes is situated in or on the Property, and that such ore body is commercially viable in accordance with industry standards, then the consideration payable by SKYG shall be adjusted upwards, such that SKYG shall issue an additional 1,000,000 common shares at a price of \$0.075 in its capital to the Vendors provided that SKYG has not sold or otherwise relinquished the Property.

There will be no finder’s fees associated with this acquisition.

ON BEHALF OF THE BOARD

“Mike England”

Mike England, *CEO, PRESIDENT & DIRECTOR*

Forward Looking Statements

Certain statements in this release are forward-looking statements, which reflect the expectations of management regarding the matters described herein. Forward-looking statements consist of statements that are not purely

historical, including any statements regarding beliefs, plans, expectations, or intentions regarding the future. Such statements are subject to risks and uncertainties that may cause actual results, performance, or developments to differ materially from those contained in the statements, including with respect to the completion of the Consolidation or the identification or acquisition of additional mineral assets. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including factors beyond the Company's control. These forward-looking statements are made as of the date of this news release.
